

Course Description

Private lesson (one-on-one) is an effective way of improving your skills in the shortest period of time. We also provide semi-private (number of students: 2) and group lesson (number of students: 3) with your spouse, colleague, and friends. The lessons will be conducted at the student's place of employment or home.

Course Plan

One lesson consists of 75 minutes' instruction. 60 or 90 minutes lessons are also possible upon request.

Sample:

1. Warm up	5 minutes
2. Review (vocabulary and grammar)	10 minutes
3. Introduce new materials	10 minutes
4. Drills (oral practice)	30 minutes
5. Writing skills	10 minutes
6. Cross-cultural communication	10 minutes

Instructors

All instructors are qualified professionals with over 10 years' experience. They are able to tailor the lessons to each student's individual learning needs and preferences, and provide original vocabulary lists, grammar sheets, homework, and quizzes for every lesson.

Please contact us for details.
A trial lesson is offered so the student can confirm the quality and effectiveness of our instruction.
